### Reflection:

1. We have been in a confined time since days before Easter of 2020 and up to now, what does the Easter mean to you in light of Jesus' overcoming the death with his glorious resurrection? 從去年復活節之前一直到現在, 我們都在 Covid-19 疫情的限制之下生活. 復活節是耶穌戰勝死亡的日子, 這對你有甚麼意義?

2. Now that the road is getting brighter with the ministering of the vaccines, how are you planning to live with the days ahead of you? 藉著疫苗的慢慢普及, 日子愈來愈光明, 你打算如何過你前面的日子?
