但是最重要的, 就是神教導他們收取嗎哪的方法. 神在教導他們一個新生活, 這個屬於神子民的新生活, 必須是以信心為主, 以榮耀神為中心.

But the most important thing was that God taught them how to collect manna. God was teaching them a new life, a new life belonging to God's people, which must be based on faith and centered on glorifying God.

A. 明天有明天的蟲可以吃.

You will have your worm tomorrow.

【太 Matt 10:6~10】

嗎哪, 你只可以收每一天需要的分, 而且不能夠留到明天. 你有這樣子的信心嗎? 這是神國子民生活上的首要條件.

You can only collect the amount of manna you need every day, and you can't keep them until tomorrow. Do you have such faith? This is the first condition in the lives of the people of the kingdom of God.

Illustration 3:

讓人因著我們, 看出我們有一位很棒的天父!

Through us, let people see that we have a great heavenly Father!

Reflections:

1. 生活裡面, 常常我們只看到曠野, 而沒有看到嗎哪. 曠野是 24/7, 而嗎哪只有清晨的那一小段時間. 而且嗎哪的味道不是像肉鍋, 韭菜, 黃瓜一樣的那麼有刺激性. 如何可以更容易的學到神藉著嗎哪要給我們的新生活? Look at our lives, we see wilderness 24/7. We see manna only a short time, the morning before the sun grows hot. Also, manna does not have the exciting taste of the meat pot, leeks, green onions. How do we learn the lesson that God tries to give to us through manna?

2. 什麼是你的嗎哪 What is your manna?
