

Healing of Naaman 乃縵得醫治

2 Kings 5:1-14

Illustration 1:

同樣的神常常要把醫治的祝福給我們, 我們得不到, 因為沒有合適的容器.

Similarly, God often wants to give us the blessing of healing, but we cannot get it because there is no suitable container.

今天, 我們要從乃縵將軍大痲瘋得醫治的記載上面來看一個很重要的得醫治的原則:

Today, we are going to look at a very important principle of healing from the story of Commander Naaman's healing from leprosy.

I. The full cup cannot receive new grace.

愈滿的杯子, 愈不容易承受新的恩典.

【王下 2King5:1~7】

II. A humble heart alone can receive God's grace.

一個謙卑的心, 才能夠領受神的恩典.

【王下 2King 5:8~14】

神要抖掉乃縵的自我感覺重要的態度是一連串的:

Here we see how the Lord used the saved and unsaved alike to make Naaman understand that he was not any more important to God than any other person.

Application 應用

開放讓有需要醫治的人, 到台前來接受禱告.

Please come to the stage to receive prayers for you or your loved ones who are in need of healing.
